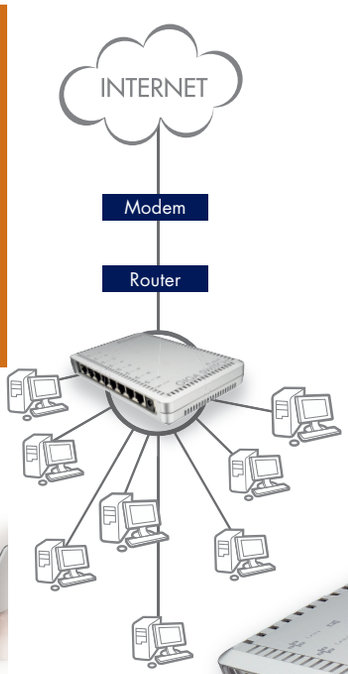
NETWORK

Data sheet: LN-117



Product code	:	LN-117
Product name	:	Network giga Switch 8 port
EAN code	:	8716502014170
Qty. masterpack / carton	:	5/20
Product weight	:	250 gr.
Product dimensions	:	165(W) x 25(H) x 110 mm (D)

This Network Giga Switch is a central unit for regulating, sending and receiving data to and from network adapters according to the fastest technology available for cabled home or office networks. The switch is fitted with a processor which handles the data throughput in an intelligent manner. This allows the Network Giga Switch to guarantee a constant throughput speed of up to 1000 Mbps on every port-connector. Suitable for 10/100/1000 Mbps networks.

- Every port guarantees a constant transfer of up to 1000 Mbps for all users.
- All speeds (10, 100 and 1000 Mbps) can be used simultaneously.

Box content:

- Network Giga switch - 8t port
- Power adapter
- User manual

System requirement:

- Compatible with all major network operating systems

No. 12107
